Everything you need, all in one place...

In alignment with our commitment to the environment, Twigseeds and Affirmations Publishing House has decided to move away from printing large catalogues twice a year. In their place, we bring you this New Releases brochure, featuring a quick-look at all the new products coming out. Plus, we've set up a brand new landing page on the Affirmations website as a one-stop-shop for all the information you would have usually found in our printed catalogues.

DID YOU KNOW?

Established by Australian artist and author Kate Knapp in the mid 90s, Twigseeds is one of Australia's most loved and iconic stationery and gift brands.

- Kate illustrates all her original art by hand in watercolour.
- Kate lives on the beautiful Sunshine Coast in Queensland, where nature surrounds and inspires her daily.
- Along with the colourful characters who live within the Twigseeds world, Kate is the creator and author of the Ruby Red Shoes children's book series, which has been nominated for various awards and is sold in countries around the world.
- The Twigseeds seagull card (K150), released in 2015, remains the number one selling card from the flagship range to this day!
- When Kate is not illustrating and writing, she enjoys doing puzzles, being in nature and catching up with family and friends.
